

# Infolure Toolbox

Ever need a nail  
and all you have  
are screws?

Add Infolure to  
your toolbox of  
resources.

It can be frustrating not having the right tools for the job. Don't be frustrated any more. Infolure has an entire toolbox of proven services that can help you get the job done. And done right.

Whatever tools you need: data processing, data modeling, campaign/promotion tracking, data enhancement, or warehousing, Infolure can provide the right resource for the job.

Infolure provides the information tools and technology services that you need to derive maximum benefit from your customer relationships.

Our proprietary software was developed with flexibility in mind. This built-in flexibility allows us the ability to offer cost effective solutions but at the same time be responsive to last minute changes while still meeting your deadlines.

Our 35,000 square foot secured facility with our integrated network of mainframes and servers ensures we have the capacity, dependability and security to meet your needs.

Join our growing list of satisfied financial services clients and benefit from our unique approach to leveraging information.

Please visit our web site at [www.infolure.com](http://www.infolure.com) for more information and details. If you have specific questions or would like to know more about how we can help you, give us a call at (602) 308-6700.

***Let the processing experts at Infolure meet  
all your data and information needs.***
